PROFESSIONAL CERTIFICATIONS

Bloomberg Finance Fundamentals - Bloomberg for Education *Completed 26 February 2026*
Environmental, Social and Governance (ESG) - Bloomberg for Education *Completed 15 July 2026*
LSEG Workspace Certification - London Stock Exchange Group *Completed 19 September 2026*
LSEG Finance Essentials Certification - London Stock Exchange Group *Completed 22 September 2026*

RELEVANT EXPERIENCE

Finance, Portfolio and Market Analyst - Oakwood Fund *September 2026*

- Analyst carrying out portfolio analysis, risk analysis and investment research.
- Completed an investment thesis on the AI and robotics tech stack and how it relates to undervalued robotics stocks.
- Used the Bloomberg Terminal, LSEG and FAME to analyse companies, asset classes and international markets, and actively traded on them.
- Completed an industry overview paper on tech stocks with a team.

Lead Platform Developer - Alumni Management - Olashore International School *January - September 2025*

- Lead developer on a nine-month internship delivering alumni.olashoreschool.com, the school's Alumni Management Platform, working alongside the alumni office, IT staff and senior leadership from brief to live deployment.
- Ran regular progress reviews with non-technical stakeholders, translating their requirements into scoped work and explaining technical trade-offs in plain language so expectations stayed aligned at every release.
- Adapted to a brief that shifted as the alumni network grew, rebuilding the data model and re-planning releases mid-project while owning authorisation, data quality and release management end to end.

Ocufolio - ocufolio.com | Founder and Developer

- Web platform aggregating stock news, research and trade/portfolio reporting for retail investors.
- Integrated SnapTrade so users can connect live portfolios across 50+ trading platforms, alongside news and user posts.

LewaLauncher - lewalauncher.com | Founder and Developer

- Windows application detector, organiser and launcher built during undergraduate study.
